

Wiltshire Children and Families Voluntary Sector Forum

Review date: 30 November 2019

Aim

The aim of the Wiltshire Children and Families Voluntary Sector Forum (CFVSF) is to work as a forum in order to enable the contribution of the voluntary and community sector to the Family and Children's Transformation Board (FACT Board) and newly developing safeguarding sub-groups, thereby promoting the contribution of the voluntary sector in the delivery of quality services. The aim is that through voluntary sector contribution we will improve the lives of children, young people and families living in Wiltshire.

Objectives

- 1) To safeguard the achievements to date of the CFVSF in attracting and sustaining engaged membership and raising the profile of the voluntary sector.
- 2) To enable CFVSF representatives to participate fully in the FACT Programme (multi-agency and Wiltshire wide) and to contribute towards effective commissioning of services for children and families in Wiltshire.
- 3) To ensure that forum members' voices are heard at a strategic level across the public sector and that they have an opportunity to influence and challenge decision making and service development.
- 4) To ensure that engagement with the voluntary sector is meaningful, purposeful and impactful.
- 5) To provide a mechanism for forum members to be consulted on key service changes and to continuously drive partnership working.
- 6) To maintain good working practices for the CFVSF, in consultation with its members, including facilitating targeted and relevant meetings, networking events and training.
- 7) To support children and families organisations in developing their knowledge and understanding of their role in relevant government initiatives and to keep children and young people safe.

Role and responsibilities of grant holding organisation

Below are the performance targets set out in the contract between Wiltshire Council and the host organisation.

1. There is a voluntary sector representative on each of the FACT work streams, or equivalent. The representative will be responsible for maintaining awareness of the work stream's progress, feeding back to the CFVSF on activity and where appropriate, feeding in the views of the sector. Where capacity to attend face to face meetings is limited, prioritisation will be by agreement between the Service and relevant FACT work stream leads or equivalent stakeholder.
2. Meetings are held frequently, as defined by CFVSF members, and are quorate. For avoidance of doubt, a quorate meeting is one where 50% of full members are represented.
3. An annual report is produced evidencing active participation by the CFVSF members in consultation activities by Wiltshire Council and, by prior agreement, its individual partner agencies.
4. An accurate directory of services is maintained on at least an annual basis and remains accessible via a responsive website.
5. A contact and network list of organisations that provide services for children, young people and families in Wiltshire is maintained and continues to meet the requirements of the General Data Protection Regulations 2018.

6. That the full Grant has been spent achieving the Grant Objectives within the applicable financial year, in line with priorities agreed between the Funder and the Grant Holder for each financial year.

This crucial role will require someone with the skills and ability to be an effective and efficient independent chair. They will have excellent leadership, good communication and interpersonal skills and experience of operating at a strategic level. Experience of partnership working, a good knowledge of children, young people and family issues and a clear understanding of the environment in which voluntary and community sector is working within Wiltshire are essential. Experience of working in the sector as a volunteer or paid employee would be beneficial. His/her responsibilities include:

1. Making decisions on behalf of the CFVSF as an independent and impartial chair when it is impossible for the executive committee to take a decision due to conflict of interest or lack of objectivity.
2. Work with the executive committee in the areas specifically mentioned above.
3. Proactively seek opportunities to promote and advance the vision and aspirations of the CFVSF.

8. Representing the CFVSF and its views, networking and attending appropriate meetings/events.
9. Representing the CFVSF at the FACT Board.
10. Work with the executive to ensure representation on each of the FACT work streams, or equivalent where practicable. The representative accepting this role (who may be any member of the forum) will be responsible for maintaining awareness of the work stream's progress through agreed systems, feeding back to the forum on activity and, where appropriate, feeding in the views of the sector. Where capacity to attend face to face meetings is limited, especially as regard sub-groups, prioritisation will be by agreement with the chair/executive committee and relevant FACT work stream leads or equivalent stakeholder.
11. Ensuring the CFVSF works within and as a signed up partnership member of the Compact.
